

Atualização - Rompimento de barragem na Mina Feijão, em Brumadinho, Minas Gerais

A Vale informa que, no início desta tarde, ocorreu o rompimento da Barragem 1 da Mina Feijão, em Brumadinho (MG). A companhia lamenta profundamente o acidente e está empenhando todos os esforços no socorro e apoio aos atingidos.

Havia empregados na área administrativa, que foi atingida pelos rejeitos, indicando a possibilidade, ainda não confirmada, de vítimas. Parte da comunidade da Vila Ferteco também foi atingida.

O resgate e os atendimentos aos feridos estão sendo realizados no local pelo Corpo de Bombeiros e pela Defesa Civil. Ainda não há confirmação sobre a causa do acidente.

A prioridade máxima da empresa, neste momento, é apoiar nos resgates para ajudar a preservar e proteger a vida de empregados, próprios e terceiros, e das comunidades locais.

A Vale continuará fornecendo informações assim que confirmadas.

Update - Dam breach at the Feijão Mine, in Brumadinho, Minas Gerais

Rio de Janeiro, January 25th, 2019 - Vale informs that, at the beginning of this afternoon, there was a breach of Dam 1 of the Feijão Mine in Brumadinho (MG). The company deeply regrets the accident and is making every effort to provide relief and support to those affected.

The tailings have reached the administrative area where employees were working, indicating the still unconfirmed possibility of victims. Part of the Vila Ferteco community has also been affected. Rescue and care of the wounded is being carried out on site by the Fire Department and Civil Defense. There is still no confirmation as to the cause of the accident.

The top priority of the company right now is to support the rescue efforts and to help preserve and protect the lives of direct employees, third-party employees and local communities.

Vale will continue to provide information as soon as it is confirmed.
